

# Mid Sweden Chamber of Commerce

*Mid Sweden Chamber of Commerce*

**Mid Sweden Chamber of Commerce is an non-political and independent private organization representing small, medium as well as large sized companies from all sectors in the industry.** The Chamber serves the entire spectrum of trade and industry in the two counties of Västernorrland and Jämtland, from the smallest to the largest companies in all sectors. Mid Sweden Chamber of Commerce has about 350 members. The Chamber assists companies having problems or questions regarding communications, education, energy, export, import, custom duties, taxes, or tourism, etc.

Mid Sweden Chamber of Commerce and Industry arranges international business contacts, seminars, business trips, and provides information and personal advice on political questions affecting the business sector.
