

# Efokus

**efokus**

**Efokus is the regional forum for information, knowledge and research about energy efficiency and renewable energy.** The lodestars are cooperation, open-mindedness and competence. Our attitude is professional and accessible. We provide help for new companies in the renewable energy sector.

Our mission is to be an important resource for development, information and knowledge on renewable energy and energy efficiency in the region of Västernorrland. Today six projects cooperate in Energiplattform Mellannorrland towards a **sustainable and energy efficient region.**
