

Milko

Milko, comprised of four dairies, is one of Sweden's largest dairy corporations. We offer nearly 300 safe and reliable products for sale in local, national and export markets. Milko has 877 suppliers, 800 employees and annual turnover of 2.7 billion Swedish crowns.

To support an ecologically sustainable environment, Milko uses a minimum of low-impact resources to process member's milk into high-quality foods the market demands.

Milko's environmental initiatives include all stages of the process, from milk production to consumer consumption. The corporation is ISO 9001, ISO 14001, ISO 22000, Swedish Seal of Quality and EMAS certified.
